For five decades, our family has hand-crafted fresh evergreens in Ham Lake, Minnesota. Corporate customers trust us for quality and connections. Your clients, employees, and business associates will love welcoming friends and family home for the holidays with a fresh holiday gift that no gift basket can match.

Hand-crafted & fresh-cut. Every piece is made to order from fresh evergreen, fragrant when it arrives and beautiful all season.

A personal touch. Every gift arrives with your own note on an enclosed gift card, so your clients know exactly who was thinking of them.

NEW FOR 2026

WINTER'S EVE WREATH

Made for the office that leans modern, or the recipient who'd rather have a winter wreath than a Christmas one.

Ships with lights and a hanger, like every gift wreath in the collection.

CLASSIC GIFT WREATH

\$61.50

As traditional as Christmas itself, fresh evergreen with a hand-tied red velvet bow and ponderosa pinecones.

VICTORIAN GIFT WREATH

An elegant take on tradition, with gold-edged ribbon, glass ornaments, and pinecones on fresh evergreen.

WINTERGREEN GIFT WREATH

CARING FOR YOUR EVERGREENS

- 1 Keep it cool.** Set it away from heat vents and direct sun and the greens stay fresh far longer.
- 2 A splash of water.** A little water in the base every few days keeps the needles supple.
- 3 Enjoy all season.** Fresh-cut to order, it holds its color and shape straight through the holidays.

A gift that keeps growing

Every Starlight Tabletop Tree arrives ready to plant once the holidays pass. And for every gift you send, we plant another evergreen seedling in a state or national park.

FRESH-CUT TO ORDER

Made the week it ships, never pulled from storage.
